Note Please speak to our Subject Teacher Mr Pieter for more information

Math

- Fractions
- Expressions & Equations
- Collecting and Organising Data

Social Studies

- People & Environments - Living & working in Ontario
- Introduction to Geography

Grades

- Graded work includes, but is not limited to:
 - Cornerstone workbook
 - CCC workbook
 - Digital assignments
 - Presentations
 - Supplemental worksheets
 - Quizzes
- I do not grade work for contests including the Spelling Bee and Speaking Contests.

Homework

- Studying for Spelling Quizzes!
- If a student is unable to complete work in class in a sufficient time, the work will be sent home. They must return it by the next class in the same subject.
- Projects will be worked on both at home and at school.
- Work not completed during lessons will be sent home and due by the next lesson in that particular subject.
- *Any assignment with a score less than 5 can be re-taken. The time for this is on Friday mornings at 8am in the Grade 3 classroom!*
 - ***Please do this within 2 weeks of the absence, if possible, so there is no rush before the semester ends!*

Behaviour/Reward System

- The Clipchart is back!
